

We are OPEN and ready to meet all of your eyecare needs!

We have implemented new safety protocols for the wellbeing of our patients and staff. We look forward to seeing you all very soon!

Virtual Check-In

We will contact you to complete your health history the day before your appointment. When you arrive at our office, please wait in your car and call or text 952-442-2015. A tech will let you know when we are ready to start your appointment.

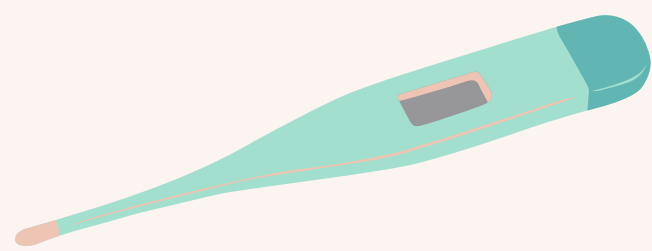

Wash your hands

You will be asked to sanitize and/or wash your hands upon entering our office and as needed throughout your visit.

COVID-19 Screening

You will be asked Covid-19 screening questions and have your temperature taken upon arrival.

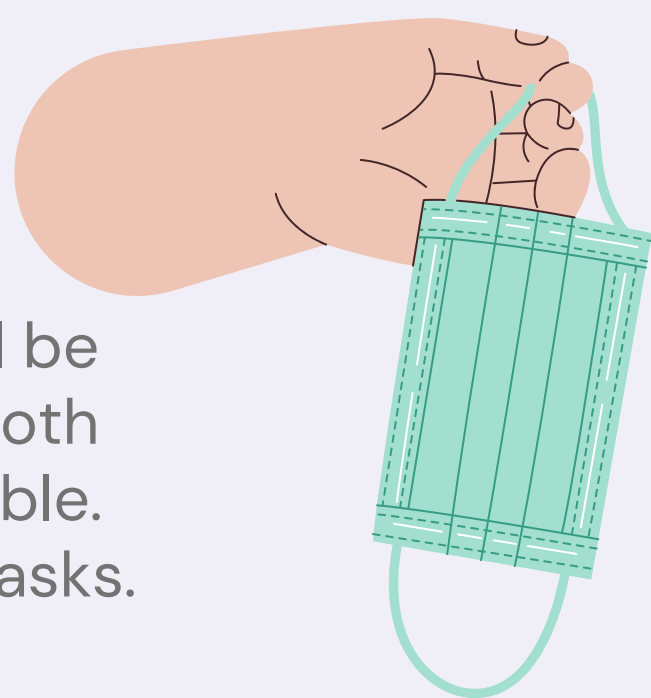

Arrive Solo

Additional family members who do not have appointments should remain at home. If a child is scheduled, one parent or guardian may accompany them.

Wear a Mask

All patients in the office will be required to wear a mask. Cloth face coverings are acceptable. Staff will also be wearing masks.

Retinal Photos

A \$29 retinal photo will be required to reduce exam time and staff contact.

Social Distancing

Please maintain a distance of at least 6 feet from others whenever possible.

Curbside Pick-Up

We are offering curbside pick-up for glasses and contact lens orders, as well as glasses adjustments. Please call or text us to let us know when you'll be stopping by.
